### *Child Nutrition*

---

#### **Eligibility for School Meals**

##### **2 hrs. 15 min. Description:**

This module provides instruction on the application and verification process. After completing this module the participant should be able to identify the required elements of the Free and Reduced Price Application and Benefit Issuance Document Process an application for benefits, understand the Direct Certification process, understand the Verification reporting process, determine the base year requirements for provision, and understand claiming processes under the Provision option.

#### **Program Pricing**

**45 min. Description:** This Program Pricing course provides participants with important information on program pricing requirements for the National School Lunch Program, School Breakfast Program, and Competitive Foods and has been organized into two distinct sections: Paid Lunch Equity and Revenue from Non-Program Foods.

#### **Meal Pattern Requirements**

**1 hr. 30 min. Description:** Compliance with the USDA meal pattern is required for meals served and claimed under the National School Lunch Program and School Breakfast Program. This eLearning module describes the menu components, dietary specifications, and servings sizes.

#### **Point of Service**

**30 min. Description:** This module provides instruction on how to conduct Point of Service meal counting processes to ensure that all meal counts are accurate and avoiding overt identification of children eligible for Free or Reduced-Price meals.

#### **Production Records**

**45 min. Description:** Production records are required for participation in the National School Lunch Program and School Breakfast Program. This eLearning module describes requirements related to production records.

#### **Offer vs. Serve**

**30 min. Description:** This module provides instruction on Offer vs. Serve. After completing this course the participant should be able to identify different required meal components under Offer vs. Serve, identify the benefits of implementing Offer vs. Serve, and identify required age groups for participation in Offer vs. Serve.
